New Year Begins

Welcome back to the 2019 school year. Welcome to the Wells family who have joined us from Kangarilla. We hope that everyone has a great year filled with heaps of learning and fun.

Thank You

A HUGE thank you to the small band of volunteers [Dave, Tony, Brett, Mark, Ben and Tom] who delivered fresh bark chips and spread them where they were needed in Week 0. It was a very hot day on Thursday for those who were putting the bark chips in place and in spite of starting early the weather was not kind.

Beginning of Year pack

These were sent out yesterday. Please go through the contents carefully to ensure that you and your children are informed about everything going on at school. In the envelope there are a number of items for attention such as Medical information, updating personal information, general permissions and water safety consent, photo information and costs plus more. Please return as soon as possible.

Next week invoices will be sent out please make timely payment of these or organise a payment plan with Bev. School card applications are available for collection.

Pastoral Care Worker

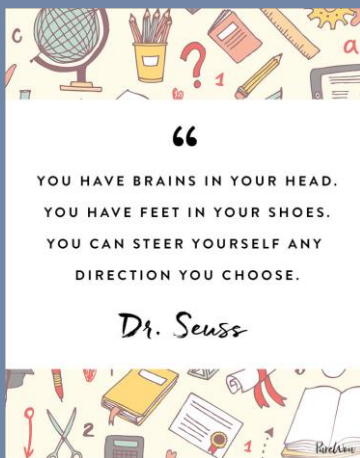

For those who haven't heard, Theodora will be on leave in Term 1, while she spends time with her son Will who is having treatment for cancer. Our thoughts are with her and her family at this difficult time.

Reminders

- Please do not allow your children to arrive before 8.30 - the yard is not supervised until then.
- All children walking or riding to and from school need to leave through Gladpac Park. No children should be crossing West Terrace without adult supervision.
- During the day parents must enter the school through the office. Do not go directly to learning areas or the yard.
- Children need to have their own water bottle and a healthy snack at school every day

Schools Photos

School & Kindy photos will be taken next Tuesday 5th February. Photo envelopes were sent home with the permission forms yesterday. *****Please contact the Front Office if you would like a Family Envelope***.**

Make alfoil balls!

If you wrap food in alfoil, collect enough to make an adult fist sized ball and then place it in the recycling bin. Great fun at Easter too!
