## Welcome Back

Tuesday was a very exciting time for children as Kindy was held in the new building for the first time. The children in the building are going to enjoy and benefit from some close links in the second semester and transition for children from Kindy to Reception will become seamless.

To ensure the safety and wellbeing of all children and staff at the school, we are requesting that people dropping off and picking up children for Kindy enter the Kindy yard from the northern gate, directly into their play space.

We also welcome Brooklyn Dixon and her family to the school and the community.
