“
Education is
the most **POWERFUL**
WEAPON
which you can use
to **change**
the **WORLD**.
”
-Nelson Mandela

Attendance

It was great to see so many children returned to school this week. We do understand that it is a difficult time for families and that things may continue to change in this new world. Most important is for you to keep us informed via text or phone if your children are absent from school. Wellbeing and continuity of learning are our focus.

Phone Interviews

Teachers are offering phone interviews for parents who would like to discuss their child's progress and achievement. Please text, email or ring to make an appointment.

Keeping Our Schools Safe

The following infographic from Professor Nicola Spurrier shows us the steps that are being taken to keep our school safe.

To keep schools safe we are:	
 Increasing cleaning.	 Making sure there is soap, sanitiser and tissues available.
 Not having large gatherings.	 Teaching kids to not spread germs.

ANZAC
The 6/7 class produced these beautiful art works to commemorate ANZAC 2020.

Year 3/4/5 Class

Mathematics

In Mathematics, students have been learning about fractions of a quantity and equivalent fractions.

Science

The Year 3/4/5 class have started sowing their seeds in their garden plots. They will investigate the variables which influence the growth of particular plants.
