This year we have a wellbeing service at GPS. Sarah Akbar is our Wellbeing Teacher and is here three days a week to:

- Help children to build and maintain relationships with peers, staff members and family
- Support with managing any issues of concern
- Support to encourage attendance, behaviour and learning at school
- Manage crises
- Develop the implementation of the Child Protection Curriculum with teachers

Sarah is available for children, teachers, and parents to share concerns, either in person or on the phone. She can help locate and access services from which children and families might benefit. Sarah is also supporting the newly instated SRC, a platform for children to have their voices heard within the school. If you would like further information, please contact Sarah at the school by phone, or email: [sarah.akbar615@schools.sa.edu.au](mailto:sarah.akbar615@schools.sa.edu.au)
