### Recognising Education Support Workers

To our support workers – Alison, Andrea, Bev, Jodie, Jody and Judy:

Thank you for your work alongside of teachers to support classroom learning, and for providing the one-on-one support for some of our children who benefit in so many ways.

Thank you for your work with families and supporting them to keep their children engaged in learning.

Thank you for managing the front office, administration and bookkeeping to ensure everything runs smoothly.

Thank you for the patience, kindness and care you give our kids when they need someone to help them and caring for sick kids while waiting for parents to come and collect them.

Thank you for being there for all of our kids and our educators, we heavily rely on you all. Sometimes on those extremely busy days, you may not feel that these things are noticed but be assured they are and they are very much appreciated.

# YEAR 6/7 LEARNING

The Clever Cookies in Year 6 & 7 have been creating some amazing learning. In Literacy we have investigated many spelling combinations, we are writing persuasive texts with the current focus on using high modality words and playing with exciting vocabulary by looking for synonyms. In Numeracy we have explored numerous strategies for solving multi-digit multiplication and have now moved towards learning decimals, percentages and fractions.
