

2022

Preschool Quality Improvement Plan Summary

Gladstone Primary School and Kindergarten

Service approval number:
SE-00010377

Goals	Challenge of Practice	Success Criteria
-------	-----------------------	------------------

To strengthen and stretch children's questioning skills through inquiry.

By strengthening educators' knowledge in programming around increasing children's questioning skills, we will stretch children's curiosity.

Through raw data analysis we will see:
Children showing their curiosity by seeking answers to their questions
Asking questions
Varied vocab
Understand and respond to questions

National Quality Framework Priorities	Key steps
---------------------------------------	-----------

Implement a whole site electronic software for sharing with families.

Researching software.
Contact the Department for Education about suitable software.
