- Play group 9.30-11.00

30th June

- Assembly 3/4 class hosting

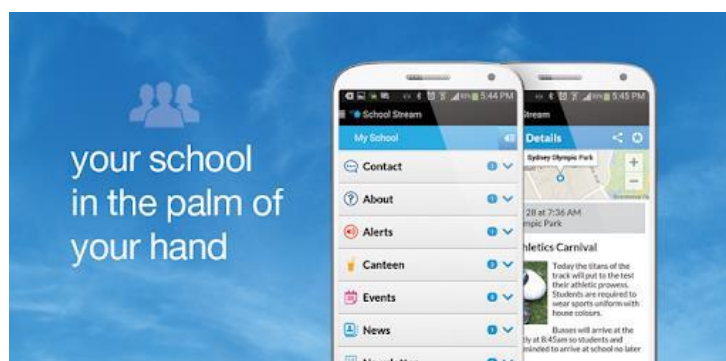

COVID-19 update

COVID-19 is still in our school and local community. Please monitor your child/children daily and keep your child home if they have even the mildest of symptoms.

Masks are no longer required on our site but are encouraged due to our current climate. Please respect everyone's choice to wear or not wear a mask.

School Stream

School Stream is our new communication app which can be downloaded at the App Store or Google Play. This app enables you to report a school absence, see all upcoming events at the school, complete all consent forms and stay up to date with all the news at Gladstone Primary School. Thank you to all those families who have already downloaded the app. For those who haven't, it's easy to download from the apple app or the google play store. Once you've downloaded the app search for Gladstone Primary School and you'll be prompted to authenticate your account. Please use the email or phone number you use to contact the school to authenticate your account and this will automatically add you to the appropriate groups and classes.

Sorry Day

We held a special flag raising ceremony yesterday to commemorate Sorry Day which is held each year on the 26th of May.

It is a day to remember the Aboriginal and Torres Strait Islander children who were taken from their families, and their home.

Thank you to Judy Crosby, Sarah Akbar and our leaders for your contribution in planning and leading the ceremony.

National Sorry Day

Playgroup

Last Friday I had the opportunity to visit Playgroup and have an informal chat with parents and their children. It was a wonderful morning where I met new families within the kindy environment at Gladstone Primary School. We had Louise Simpson from the Flinders Mobile Library visit to read a story and provide information on how to access the library and their various resources.

We welcome new families to join us fortnightly on a Friday morning at 9.30am to 11am in the kindy. Please contact Gladstone Primary School on 86 622235 for more details.

PLAYGROUP

As you can see, we have plenty of room for parking!

Helen and Bridget from the History Trust visited our class today. They are running a program called 'Places in Cases'. We made diaramas in old suitcases based on an old photograph taken in Gladstone.
