4th August

- Student Free Day

There will be **NO** lunch orders Tomorrow
Thursday 30th June

Term 2

What an unusual term we have had! Unfortunately COVID has had an impact this term and I would sincerely like to thank staff, students and families for monitoring for symptoms and staying home when unwell. It has illustrated the caring and kind school community we have here at Gladstone Primary School.

Teachers have been busy writing student reports which will come home next Wednesday 6th July. I have had the pleasure of reading all the reports which explain what you child has learned and their next learning steps. Enjoy reading them, many hours go into the preparation of these documents.

School Stream

You will notice that we are using the School Stream app for all forms of communication. We recently used the app for consent forms which saves our school money on printing and is more environmental friendly. If you need support to download the app please come in and see Jodie or Bev.

Term 3

We have a student free day in on Thursday 4th August (week 2). Staff will be looking at new curriculum documents released by the South Australian Department for Education and some training in ICT.

Our final student free day will be on Thursday 10th November to analyse data and prepare for 2023. Gladstone High School also has a student free day on this date. I hope everyone has the opportunity for some 'down' time in the school holidays and if you are going away travel safe.

Assembly

The 3/4 class are hosting our school assembly tomorrow at 2.30pm. Parents are welcome to join us.

Kind regards,
Jodie

THE GRUFFALO

From the 1 / 2 class

The Gruffalo 17/5/22

My favourite part of the book was when the mouse said "oh". He saw the gruffalo and got a surprise because he tricked him and made fun of him.

I liked the book because I've never heard of him.

The Gruffalo 19/2/22

When I think about the gruffalo, I visualise a yellow monster with a brown tail. If I met the Gruffalo I would feel disgusted.

The Gruffalo 19/5/22

When I think about the gruffalo I visualise orange eyes and purple ticks on his back. He has teeth in his feet. Lots. If I met him, I would be terrified.

17/5/2022 The Gruffalo

My favourite part of the book was when the mouse said "my favourite food is gruffalo crammble." because it was funny, and because the gruffalo was scared, and gruffalo rhymes with buffalo.

In isolation, and need something to read in a hurry?

Don't forget your child is a member of the Flinders Mobile Library, so via their library membership you, as a family, have access to all of the e-books, e-audios and e-magazines of the SA Libraries network.

These items can be borrowed and read / listened to on a phone, tablet or computer.

Entertainment without leaving home!
