13th September

- Governing Council

14th September

- Corridors of Green – Appila Springs Yr 3-4
- Mobile Library

Book Week

What amazing characters we had at school yesterday! It was wonderful to see every child and adult dressed up to celebrate Book Week and then maintain their characters during the day.

Thank you to Sarah Akbar for her work behind the scenes. Congratulations to our SRC leaders and the 5/6 class who helped run the Book Week Parade and assembly. Each class shared some learning - the reception class shared some facts about sharks, the 1/2 class shared writing, the 3/4 class shared the different names we use for our Grandma, and the 5/6 class shared poetry.

Thank you to those parents who were able to attend the parade and assembly. I have noticed some parents and children looking at the Book Week window which displays everyone's favourite book at Gladstone Primary School. This window has become a visual book review for children to see other great books and series which they could read.

The year 5/6 students visited the reception class after lunch and shared a picture book.

New SRC members were presented with their badges.

Award winners

School Stream

We reached a milestone this week with our 250th form submission! We have made big savings on paper, time and money.

Playground

We are hopeful the new nature playground will be completed within the next two to three weeks. They have made some modifications to incorporate the natural flow of area and shade for playing. The children have been fascinated watching the workmen using machinery and creating our new nature play space.

GLADSTONE JUNIOR TENNIS

Gladstone Tennis Club invites all junior tennis players to join for the 2022/2023 tennis season.

Gladstone Tennis Club will again have D grade and C grade, and we will run a Hot Shots program as well (more details regarding this will come out later).

If your child is interested in playing this upcoming season, or require more information, please contact Brett Cunningham 0439589344 to register their name.

AGM

Where: Georgetown Golf Club

When: Wednesday 31st August, 2022

Time: 7pm

Everyone Welcome

SSO Week

Thank you to our wonderful SSOs for the work you do supporting Gladstone Primary School. What an amazing team!

We celebrated with a yummy morning tea supplied by the teaching staff.

Canteen Volunteers we need YOU!

Did you know that the Gladstone High School canteen provides lunch for the following schools:

- Gladstone High School, every day
- Gladstone Primary School, every day
- St Joseph's Primary on Tuesday's and Thursday's
- Laura Primary School on Friday's.

To help with coordination of preparing a range of food and drink orders ready in a short space of time we need parent volunteers in the canteen. Especially on a Friday.

No experience is necessary, if you can pop something in the oven or make a sandwich, you'll be much appreciated! Our only requirement is that you have a working with children's check which can easily be organised through the school office.

Many hands make light work – volunteer today!

Have you completed your child's secondary school enrolment form for 2023?

Enrolment packs have been distributed via email to all year 6 students that have indicated their preference to attend Gladstone High School.

To ensure we have all the information that we require for your child to attend the scheduled Transition visits, we first must have the completed online enrolment or a paper copy of the enrolment form completed..

Gladstone High School rely on this information to help them with timetabling, classroom spaces, student resources and teacher allocation. If you cannot find your enrolment pack email and/or require a hardcopy, please contact us Gladstone High School on 86622171 or email dl.0775.info@schools.sa.edu.au

Regards **Tracy Smith**
